Condo / Townhouse on 0.00 Acres

Riverdale, Edmonton, AB

You wake up Sunday morning and pull back your new custom-fitted blackout curtains... the city skyline and unobstructed views of the river valley bid you good morning. The sun rises, glinting off the buildings and filling your home with a warm glow. Youâ€™ve got a busy week ahead, so you spend the day relaxing in the living room. Despite 10-foot ceilings throughout, your space still feels cozy and inviting. Later, you head into the kitchen, switch on your new custom lighting, and start dinner on the induction stove. You open the stainless steel fridge and pause - outside, the sky is putting on its usual evening show. You take your meal out to the patio and enjoy the sunset as it dips behind the buildings. As evening sets in, you head in to your 4-piece bathroom to run a bath in your soaker tub, the new hot water tank keeping the warm water flowing. And just like that, the week begins in your quiet, comfortable two-bedroom condoâ€™with air conditioning, one underground parking stall, and extra storage included.
