

working from home. The best spot in the house for laundry? Upstairs, and this home has it with an upgraded washer & dryer. Need extra space? The basement has its own entrance and a full illegal suite. It has a kitchenette, a bedroom, laundry, in-floor heating, and hot water on demand. The backyard is big and fully fenced. It offers space between you and your neighbour, which is hard to find! The deck is a great place to entertain in the summer time. There will be lots of light in the yard all day long. And the attached heated garage? It has tall ceilings with lots of room for storage. Let's talk location because this home puts time back in your day! It's steps from a primary pick-up and drop-off spot to site, so no more long walks to catch your ride. Plus, you're minutes from shopping, schools, parks, and transit. In 2018, there were big updates. They included shingles, siding, and windows. We also added a deck extension, fencing, and landscaping. Plus, you get new appliances, including two sets of washers and dryers—move in and enjoy! Black Spruce Builders built this home. They are known for quality and practical floor plans. This home is perfect for those who want everything updated. Nothing to do but move right in! Explore the detailed floor plans. See every sink and shower in the home.
