Sundance, Calgary, Alberta

This fully renovated Sundance home offers about 1700 sq. ft. of beautifully finished living space above grade plus a fully finished basement, blending timeless character with modern comfort in one of Calgary's most established lake communities. Set on a quiet street with hardie board siding and a double attached garage, the home welcomes you with vaulted ceilings, luxury vinyl plank flooring, and an abundance of natural light from large windows and skylights. The open-concept kitchen has been completely redesigned with a massive quartz island, stainless steel appliances, farmhouse undermount sink, custom hood fan, and thoughtful storage throughout. A built-in workstation overlooks the sunken living room, where a striking brick wood-burning fireplace is framed by built-in shelving. The main bath is equally stylish with modern finishes and a shiplap feature wall. Downstairs, the finished basement offers a versatile rec room, bedroom, custom built-ins, and ample storage.
